Adjustments to ACTA's Fees

December 7, 2001

Effective January 1, 2002 the Administrative Council for Terminal Attachment (ACTA) will adjust its fee for processing Telephone Terminal Equipment (TTE) information submitted for inclusion in the centralized database of Part 68 equipment to \$300.00 per submission. The adjusted fee applies to all types of submissions; e.g., Original, Modifications, Notice of Change, Re-certification/re-declarations, and Request for Responsible Party Codes.

Additionally, effective January 1, 2002 the Administrative Council for Terminal Attachment (ACTA) will implement a \$300.00 fee for processing, posting, and maintaining a Responsible Party's Supplier's Declaration of Conformity (SDoC) on the ACTA website. The additional \$300.00 (per submission) fee will apply to parties issuing notice to post its SDoC.

As a result of the above adjustments, the [*Guidelines and Procedures for submittal of information for inclusion in the ACTA database of approved Telephone Terminal Equipment \("TTE"\), Revision 1.1., October 2001*](#) will be revised to reflect this change.

Telephone Terminal Equipment (TTE) approved for connection to the PSTN must comply with all applicable rules and regulations of FCC Part 68, and with the applicable technical criteria adopted by ACTA:

Parties responsible for TTE, whether they obtain their approval from a Telecommunications Certification Body (TCB) or utilize the Supplier's Declaration of Conformity (SDoC) process, must submit to the ACTA database administrator all information required by ACTA for inclusion in the centralized database of approved Part 68 products.

Questions and comments about this notice should be submitted to the ACTA Secretariat via E-mail at acta@atis.org, or by phone at +1.202.628.6380.
