## **PUBLIC NOTICE**

No.: PN05-04

### ***ACTA Adopts Revisions to Database Submission Guidelines***

May 13, 2005

**Washington, D.C.** – The Administrative Council for Terminal Attachments (“ACTA”) herein issues notice of the adoption of the *Guidelines and Procedures for submittal of information for inclusion in the ACTA database of approved Telephone Terminal Equipment (“TTE”), Revision 2.7, May 2005*. The *Revision 2.7* reflects the changes in the general filing guidelines to include the fee structure associated with filing using the AOF Filing System and by submission to the ACTA Secretariat as amended in December 2004 as well as clarifications of the definitions of filing types.

*Revision 2.7* supersedes all previous versions of the *Guidelines and Procedures for submittal of information for inclusion in the ACTA database of approved Telephone Terminal Equipment (“TTE”)*. The newly adopted guidelines and further information about the ACTA can be obtained from the ACTA Website at <http://www.part68.org>.

Telephone Terminal Equipment (TTE) approved for connection to the PSTN must comply with all applicable rules and regulations of FCC Part 68, and with the applicable technical criteria adopted by the ACTA.

Parties responsible for TTE, whether they obtain their approval from a Telecommunications Certification Body (TCB) or utilize the Supplier’s Declaration of Conformity (SDoC) process, must submit to the ACTA database administrator all information required by the ACTA for inclusion in the centralized database of approved Part 68 products.

Questions and comments about this notice should be submitted to the ACTA Secretariat via Email at [acta@atis.org](mailto:acta@atis.org), or by phone at +1.202.628.6380.
