

Industry Canada Update – Submitted by Magdoly Rondon

- DC-01(Declaration of Conformity and Registration of Terminal Equipment) - Amendments are underway to release Issue 6 to address industry needs and reduce the overall burden associated with certification and registration as part of the Department's spectrum management software modernization initiative (Spectrum Applications Modernization — Commercial Software Implementation (SAM-CSI)).
- No TAPAC meeting has been scheduled for May 2015. Next meetings will be scheduled as needed based on TAPAC members' request.
