PUBLIC NOTICE

ACTA RELEASES REVISED SUBMISSION GUIDELINES

March 29, 2022

Effective March 29, 2022, the Administrative Council for Terminal Attachments (ACTA) has revised its *Guidelines & Procedures for Submittal of Information to the ACTA for Inclusion in the Database of Approved Telephone Terminal Equipment* (ACTA Submission Guidelines).

Version 6.0 aligns the ATA Submission Guidelines with the functionality of the new ACTA Online Filing (AOF) system, which was launched in May 2021. Version 6.0 can be accessed at the following link: <https://www.part68.org/wp-content/uploads/Submission-Guidelines-V6.0.pdf>

In addition to updating its Submission Guidelines, the ACTA has reviewed and updated the presentation ACTA and Part68- Past, Present, and Future. This historical presentation provides a background on the history of the ACTA and information on the work of the ACTA today.

Questions and comments about this notice should be submitted to the ACTA Secretariat via e-mail at acta@atis.org, or by phone at +1.202.628.6380

About ACTA

The ACTA is an open organization established to: (1) adopt technical criteria and to act as the clearing-house, publishing technical criteria for terminal equipment developed by ANSI-accredited standards development organizations; and (2) establish and maintain a registration database of equipment approved as compliant with the technical criteria. ACTA is jointly sponsored by the Alliance for Telecommunications Industry Solutions (ATIS) and Telecommunications Industry Association (TIA).
